Hasselt, 23/10/2016

Dear Delegates,
Dear Friends,

I refer to the letter that was sent earlier to communicate the working agenda of the Board.

Several of these topics demand for careful consideration and substantiation, especially since we are planning to discuss these topics, along with our suggestions, before the next meetings of Breed Wardens, Judges and of course the Meeting of Delegates.

For this, a prior inventory of existing regulations and activities is needed.

The following link lead you to a questionnaire that was prepared to gather this information : [link to questionnaire](#).

Or : cfr. www.ifrottweilerfriends.org – activities – [quest. Breed Wardens](#).

The form, a first way of gathering information, is meant for the Delegates and especially the Breedwardens of the IFR-memberclubs and/or those responsible for breeding matters of the concerned clubs.

As the current Board does not have a full term of 2 years at its disposal but a much shorter term but insists on completing the task we set ourselves, we dare to request you for a quick and complete answer to this questionnaire.

It goes without saying that we are at your disposal for all further information.

With kind regards,

On behalf of the IFR Board,

D. Vandecasteele.
